

JOHN PAUL II AWARD

(Social Awareness)

Alongside the “*Parish Involvement key area*” there is also the “*Social Awareness key area*” which needs to be completed by the candidate. As members of the Body of Christ, through baptism, we make Christ present by the way we treat others. Our faith is lived out most fully in our actions, that is why it is important to be aware of the needs of others and to minister to their needs. That is why ‘*Social Awareness*’ is such an important aspect of this Award. This is a list of Organisations contacted regarding voluntary work in the Social Awareness key area by JP II candidates.

The following Voluntary Organisations have responded positively to the initiative and so are aware that candidates may be contacting them in reference to the John Paul II award.
